Bachelor of Education - Brock University

St.Catherines, ON

Bachelor of Arts (Honours) - Carleton University

Ottawa, ON

EXPERIENCE

Teacher

2017 – Present

Ottawa Carleton District School Board

Ottawa, ON

A positive and driven English/Math teacher with 8 years' experience working with students in grades K-5. Passionate about engaging students on all levels, enhancing their social experiences by encouraging group lessons and learning. Talented in using different teaching methods to reach out to students, including physical demonstrations, drawn illustrations and visual presentations.

Key Accomplishments:

- Implemented successful lesson plans for 50 students, maintaining a high class average throughout the school year.
- Collaborated with colleagues and administrators in order to deliver results in Mathematics and English

Server

June 2022– Present

Cantina Gia

Ottawa, ON

Served customers in a high-paced, high-energy, well-regarded casual fine dining establishment

Key Accomplishments:

- Work with an average of 100 guests per day.
- Open communication with both front of house and back of house to ensure coordinated food and drink deliveries to customers in a timely manner
- Extensive knowledge of both wine and menu items and demonstrated ability to romance items to customers in order to build sales

Server

2018-2022

Pure Kitchen

Ottawa, ON

Served customers in a high-paced, high-energy, local casual dining establishment

Key Accomplishments:

- Work with an average of 100-150 guests per day.
- Open communication with both front of house and back of house to ensure coordinated food and drink deliveries to customers in a timely manner.
- Ability to effectively communicate with disgruntled customers securing their future business

Teacher

2015 – 2017

Spirit of Math Schools

Toronto, ON

Worked with 8 separate classes with an average of 15 students per class. Demonstrated ability to deliver the curriculum successfully with proven results.

Key Accomplishments:

- Managed 120 students and delivered an enriched mathematics program successfully.
- Students visibly improved in their mathematics ability within my program.
- Saw the needs in each of my students and diversified programming in order for them to achieve their diploma.
